St. Andrew's Autism Centre (SAAC) is an integrated centre for the education, training, and care of persons with autism and their families.

We operate a special school for children and youths diagnosed with moderate to severe autism from seven to 18 years old, and a Day Activity Centre (DAC) for the adults aged 19 years and beyond.

We invite interested and qualified persons to join us to meet the physical, social, emotional and spiritual needs of our students and adult clients; to provide behavioural support, life skills training, job training and placement, family support and public education.

SAAC seeks to enable people with autism to lead dignified and meaningful lives.
